Dear Fellow Collector,

All of us have invested lots of time and money in our collection and realize that like our home and other assets it should be insured against loss or damage. It has become more difficult and/or expensive to find insurance coverage from our homeowner insurer or other insurance companies. Most require appraisals which can be expensive and difficult to obtain. These are some of the reasons why the National Association of Collectors is sponsoring this collector insurance program. Please review this brochure and contact Association Insurance Administrators (AIA) if you have any questions or need a quote for a higher limit. We are sure you will find this insurance beneficial. NAC provides individual collectors with a broad range of information & resources of benefit to all collectors.
